Camera <u>per day</u> as available (deposit required)	10000
Snorkel gear hire <u>per day</u> for non-guests	2000

### REFRESHER

If you are an entry level diver and have not dived for more than 2 years then we require you to have a brief refresher in shallow water followed by a dive with your own Divemaster as the first dive of your Dive Trip.

Additional cost to the normal cost of the Dive Trip **3000**

**All divers must provide proof of certification and complete a liability release before diving. Dives not completed due to illness, ear problems etc are non refundable. Equipment lost or damaged by the diver will be charged at replacement prices in Tanna. Dive sites are chosen daily based on conditions and the experience level of the divers on the trip.**

### ADVENTURE DIVES

If you want to try a Deep or Night dive for the first time - no problem! Spend an hour learning the theory with your Instructor and then join them for the dive.

Additional cost to the normal cost of the Dive Trip **3000**

## LEARN TO DIVE!

### DISCOVER SCUBA DIVING (half day)

Experience the thrill of scuba diving and the underwater paradise of Tanna under the close supervision of an Instructor. After a short briefing it's off to the beach to practice in shallow water before heading out onto the coral reef for a real dive. **10000**

### PADI SCUBA DIVER

If you enjoyed your Discover Scuba Diving you will probably want to spend an additional day with your Instructor and achieve the first level of PADI diver certification.

Additional cost to Discover Scuba Diving **25000**

### PADI OPEN WATER DIVER

Go all in and achieve your full certification as a PADI Open Water Diver, the world's most sought after entry level diving qualification.

You complete your self-study dive theory online in your own time and language then join your PADI instructor for 2-3 days in the water with shallow water practice and 4 reef dives.

You are then a certified diver for your lifetime! **45000**

If you have done all of your theory and pool training at home before coming to Tanna, you can complete your course by doing just the 4 open water reef dives with your Instructor and get certified. **30000**
